

janison exam management

Secure, independent end-to-end exam management services 100% tailored to your requirements

Janison is a trusted global provider of exam management services and online solutions for educational institutions and professional bodies.

Why choose Janison Exam Management?

Experienced staff

We have a pool of over 700 highly trained invigilation staff, many with more than 10 years of experience.

Professionalism

We've been helping our customers successfully manage their exams for more than 30 years.

Security

Our customers' information security is our highest priority. All your information is handled securely and confidentially.

Adaptable

We have the flexibility to tailor exam formats – from one to 5,000 candidates – to fit the unique requirements of institutions and professional bodies.

Student experience

All your candidates will receive the same consistent experience and high quality customer service from our experienced staff at all our exam locations.

We take care of your entire exam process

- ✓ Secure management of candidate and exam data
- ✓ Provision of venues
- ✓ Provision of invigilation staff, including onboarding, training, rostering and management
- ✓ Provision of furniture and equipment, from desks and chairs, to laptops and speakers
- ✓ Onsite or remote technical support for digital exams
- ✓ Candidate services on the exam day
- ✓ Adjustments to venue and staffing requirements
- ✓ Arrangements for candidates with special testing requirements
- ✓ Pre- and post-event receipt, stock-take and dispatch of exam materials
- ✓ Secure storage and transportation of papers to and from the venue
- ✓ Bespoke venue setup
- ✓ Management oversight and running of the exam
- ✓ Post-exam review

venues worldwide

Where we operate

The majority of the exams we run are in Australia and New Zealand, but we also provide our services globally.

Australia – all major cities and regional centres

New Zealand – all major cities

Asia – Indonesia

Europe – the UK (London), Ireland (Dublin), France (Paris) and Switzerland

Promote excellence and the integrity of your online education programs

Janison now offers online proctoring solutions and invigilation services.

- Integrate seamlessly with your existing LMS and digital assessment platforms, like [Janison Insights](#)
- Utilise biometrics and AI to register and identify candidates, and deliver a secure and authentic online assessment experience
- Easily monitor and flag when suspicious activities are being conducted by your candidates
- Eliminate the cost and burden of physical infrastructure without sacrificing security
- Enjoy a variety of service levels, from live proctoring to AI-driven automated models

Chat to us today about how online proctoring could work for your organisation.
